

DON'T PUT ME DOWN

Remember the vows from our wedding day
to have and to hold me forever's what you said
over the threshold in my wedding gown
I float in your arms
don't ever put me down

DON'T PUT ME DOWN

**'cause I'm here to stay
don't let the small stuff get in our way
hold me up high, as high as your heart
my head's in the clouds
don't ever put me down**

As each year passes the small stuff gets bigger
and promises, they start to fade
So let's lie here in bed with our feet off the ground
and make love - [music riff]
don't ever put me down

DON'T PUT ME DOWN

Some people fight with words sharp like weapons
but you've never hurt me that way
I might make you mad, but I know you respect me
when you pick me up and say ...

I won't put you down

**'cause I'm here to stay
I won't let the small stuff get in our way
You hold me up high, as high as your heart
(our) heads in the clouds
Don't ever put me down**

Don't put me down

**'cause I'm here to stay
don't let the small stuff get in our way
hold me up high, as high as your heart
our head's in the clouds
don't ever put me down**
