Why do they always have to be so

Chorus
GEOGRAPHICALLY UNDESIRABLE
Mapquest-ably unfindable
What does it take to strike the right match

GEOGRAPHICALLY UNDESIRABLE

Verse 2
Met a guy up in Washington state

Hot-rocket - - 33
is a fireman in Bowling Green
great job - loves kids
but the only problem is, he's

Repeat Chorus

Bridge
Down at Starbucks later today
Laptops, chat rooms double-lattes
Sitting next to a hottie named Scott
Looks like I found somebody who's not...

Final Chorus
